Each month students will set academic, spiritual growth, and fitness goals. These goals will be set with their teachers and parents and will be evaluated and celebrated each month. In an effort to keep all students accountable,, parents will sign off on these goals at the conclusion of each month.</p>

Implementation

Mission

To grow children in the truth of God's word and His love for them.

Everything we do at 12 Academy will fall under the umbrella of this Mission Statement. It will drive our curriculum and our goals.

Tuition

\$700 per month

Tuition will be paid from September 1st through May 1st. Please have this paid by the first of each month. Payments not made by the 5th of each month will be subject to a late fee of \$10 per day. Failure to pay tuition can result in failure to provide services.

ABCs

The code of conduct at 12 Academy will be led by our ABCs of Conduct.

5-12

A: Always Honor God and His Word.

B: Be Respectful to Teachers and Authority.

C: Care for your Classmates as Christ Commanded.

Pre-K

- A. Always Love God and His Word.
- B. Be Kind and Respectful.
- C: Care for Your Friends.

The partnership between teachers and parents is vital to the success of each child. Behaviors that are not self regulated will be regulated under our Discipline Plan. We will be involving our parents with behavior early on. Our Discipline Plan will be available in our Parent Handbook. There are seven steps in our plan.

Goals

Students will track their academic successes in their personal Leadership Binder. Each month students will set academic, spiritual growth, personal and fitness goals. These goals will be set with their teachers and parents and will be evaluated and celebrated each month. In an effort to keep all students accountable,, Parents will sign off on these goals at the conclusion of each month.
